The "per unit of" means the **price** the Government is going to pay for each resource when the Government Order is awarded. In the image below "per unit of Sneakers Q1" with \$19; means the Government will pay the team members \$19 for Q1 Sneakers. Will pay \$31 for Q0 Dress. Will pay \$10 per Q3 Underwear. Will pay \$10 for Q3 Fabric.

PHOTO 5

The deposits are taken at the time of Government Order Bid being awarded. Meaning your team **WON** the bid.

If any of the contractors doesn't have enough cash, the whole bid is **disqualified**.

If all contractors have the money, each team member has to put down their deposit. The deposit is returned once **ALL** contractors on the bid delivered the required amounts.

Once the bid; you are contractor on is awarded, you can simply click to deliver the resources against it. The reward is paid immediately. The deposit is returned once all contractors on your bid deliver.

There is a time limit, in days, on how much time you have to deliver against the order.

The quality shown on the items is the **minimum quality** that is needed.

If Q1 is listed you can fulfill the order with Q1+

If Q2 is listed you can fulfill the order with Q2+

and so on
